This follows up our telephone conversation of 6 January. I talked with [redacted] OIT, who had been tasked by [redacted] with exploring OIT's possible use of Applied Systems Institute, Incorporated. [redacted] is in a different job today but the bottom line is still the same. OIT has no requirement to use ASI.

Apparently, Dr. Duk J. Won mentioned to the DCI some time in the fall of 1985 that CIA had not responded to his 25 June bidders mailing list application. Dr. Duk gave the DCI the 9 September 1985 Corporate Qualifications paper (attached) who, in turn, gave it to Mr. Fitzwater. Mr. Fitzwater sent it to [redacted] who requested [redacted] survey. This package reached the Executive Officer to the DDA on 2 January 1986.

In order to put this matter to bed, request OL/PMS respond to the Form 129 and Corporate Qualifications presentation by a simple response that: we have again reviewed CIA's requirement for services such as what ASI offers with negative results. We will keep your application on our active bidders list and advise if we have a requirement.

Please send a drop copy to the Executive Registry who will cancel any suspense being held. Thank you.
